T-shirts should be laundered and in good condition. Stains are okay, but holes are not. If possible, you should send more shirts than needed for your quilt. I will return any unused articles.

All T-Shirts will be fused to stabilizer to prevent stretching and insure durability.

Fabric for the backing and binding are not included in the above prices, as most customers prefer to select the fabric according to their own personal preference. I can purchase fabric for you, if needed. Sashing, backing, and binding fabric should be of good quality 100% cotton fabric.
